

Hi All,

**It's Playtime!** With effect from **04 January 2010**, the new hours for **PlayGym** sessions are:

**Mondays : 10am to 12pm**  
**Wednesdays : 10am to 12pm**  
**Fridays : 10am to 12pm**  
**Cost : \$10.00 per child.**

Our fully-equipped gymnastic centre offers children many opportunities for active play including bouncing, jumping, balancing, crawling, tumbling and more; which in turn will help them develop balance and gross motor skills

Our **PlayGym** programme is a non-structured class for young children. So **each child must be accompanied by a parent/guardian.**

So, come down with your child/ren and bring a friend along. Let them keep fit, make new friends and generally, have a good time.

**Kind Regards.**
